

KEY ASSOCIATES, INC.

Key Associates, Inc. helps leaders and organizations grow through the systematic approach of **RIGHT FOCUS, RIGHT PEOPLE and RIGHT EXECUTION.** Our **Evidence-Based Performance Leadership Program** links organizational goals with day-to-day delivery. Designed for nurse managers, **Evidence-Based Performance Leadership** will enhance your ability to: communicate effectively, set performance expectations, coach, give feedback, and develop others. This program will help your team, and ultimately your facility, execute with excellence.

EVIDENCE-BASED PERFORMANCE LEADERSHIP

AN INTEGRATED TRAINING AND DEVELOPMENT SYSTEM THAT BUILDS LEADERSHIP SKILLS FOR NURSE MANAGERS

- Are performance and productivity levels falling in your facility because nurse managers are having trouble setting clear performance expectations and managing to them?
- Are you developing nurse managers to manage staff in alignment with organizational expectations and practices?
- Are you developing your nurse managers to build solid teams?

PROGRAM OBJECTIVES:

1. Develop and enhance performance across your facility so that you can achieve the results you want
2. Establish clear performance expectations and goals so that staff is accountable
3. Provide skills and organizational change strategies so that nurse managers grow and develop others

This training and development program is designed to help those who directly or indirectly lead others to be more effective in managing performance and coaching others.

Module 1: **Leading to Enhance Performance**

Module 2: **Setting Expectations**

Module 3: **Coaching and Giving Feedback**

Module 4: **Following up on Performance Commitments**

Module 5: **Planning and Supporting Career Development**
